**SUPPLEMENTAL DECLARATION OF NOTICING AGENT REGARDING
SERVICE OF BAR DATE NOTICE ON ARKEMA INC.**

I, Eric Kurtzman, state as follows:

1. I am over eighteen years of age and not a party to the above-captioned cases. I believe the statements contained herein are true based on my personal knowledge. I am the Chief Executive Officer of Kurtzman Carson Consultants LLC ("KCC") and my business address is 2335 Alaska Avenue, El Segundo, California 90245. KCC was retained as the noticing agent pursuant to the Final Order Under 28 U.S.C. § 156(c) Authorizing Retention And Appointment Of Kurtzman Carson Consultants LLC As Claims, Noticing, And Balloting Agent for Clerk Of Bankruptcy Court, entered by the Court on December 1, 2005 (Docket No. 1374). This declaration is based upon my personal knowledge, except as to such matters as are stated upon information and belief.

2. KCC maintains the Delphi Legal Information Website, available at www.delphidocket.com (the "Website").

3. The main page of the Website provides links to a variety of information about Delphi's chapter 11 cases. See copy of main page of the Website, attached hereto as Exhibit 1. One of those links, labeled "Schedules and Statements," provides an active list of the Debtors' Schedules of Assets and Liabilities (the "Schedules"), in which you can click to view the complete Schedules. See copy of page listing the Schedules, attached hereto as Exhibit 2. When a user clicks on the name of the relevant Schedule, the Schedule that appears includes a column in which the words "contingent," "unliquidated," and/or "disputed" are written, as applicable. See copy of Schedule F listing Atofina Chemicals, attached hereto as Exhibit 3.

4. Another link from the main page of the Website, labeled "Claim/Creditor Search," allows the public to access limited information about Delphi's creditors. When the "Claim/Creditor Search" link is selected, a screen appears entitled "Search Delphi's Bankruptcy Administration System." See the creditor search screen, a snapshot of which is attached hereto as Exhibit 4. A user can search by creditor name, claim number, or other criteria from this page. The search results list each entry on the Schedules as well as each proof of claim filed containing the data entered on the search page. For claims listed on the Schedules, the search results page lists the relevant schedule, the name of the creditor, the amount, the Debtor. See search results page for "Atofina," attached hereto as Exhibit 5. This screen also contains columns labeled "C," "U," and "D" for contingent, unliquidated, and disputed. The creditor name on the search results screen is an active link that brings the user to the "Creditor Data Page."

5. The Website as described above, was in operation prior to the bar date, and at all times relevant to this matter.

6. To the best of my knowledge, information and belief, I hereby declare and state that the foregoing information is true and correct.

Executed on September 26, 2007, at Los Angeles, California.
